say
something

I can
understand
he has
his

you don't
have to go
that far
he already
and he
said sorry

he
acted
like
nothing
was
happening

if he did
realize
I was
in danger

even

he
contact
Hinata...
Don't tell
me that
more...

It
can't
be...

I'm
extremely
sorry!

Well...
you can
become my
honey
if you
want...

RUDE!
are you really
going to
be my
honey?

It
can't
be...

Today
I will
go to
my
honey

I'm
very
sorry
Hinata...

As for
me...I have
to make him
realize that
what he did
was wrong

I wasn't trying to...
steal your friends or
break things...

SUZUKU

Huh

Um..

That's
right..

Well aren't you
going to invite us
for breakfast
as a way to
thank us?

Uh..
than-

Who-?

Wait a moment!
Are you going to
trick my mom
again?

Good
morning
everybody!
I'm master
Kaif.

Happy
Birthday!

蜜×蜜ドロップス①

What am I
going to
do?

They
kidnapped
them...
They kidnapped
my family.

YUZURU

はた

No no no

If I call
they'll kill
them!

Th-the
police

You're
going to
tell me

that if I
want to see
my family
again

I'm going
to have to
stop being
the
money
man's
son?

WHAT?

You're the
one behind
all of this
aren't you?

室×室ドロップス③

Now
Have you calmed
down?

I'm
not-

Yes-

Yes

Huh?

Huh?

Come on,
get
ready

Alright
Good
girl

We'll help you

We're gonna
go rescue
them all

Um...

Oh...

Okay

No, it's
that
way!

It's
that
way

Come on.
We're
going that
way.

What? Even
you know how
to read a
map?

Uh...

I guess
there's
nothing
we can
do about
that now

You just follow along and avoid getting lost

My
city

I'll
lead

Won't
lose
that
lead!

But if
we keep
going
like this
then
we'll
never
get
there

There's
something

Could it be
that he's
just being
friendly
so that he can
trick me
again?

I feel
you're
thinking

that right now
I'm being
friendly but my
intentions are
the complete
opposite aren't
you?

Is it this
Chihiro, so
friendly like
the first
time I met
him?

that
makes me
doubt

Or that one
that scared
me and tried
to get me
fired?

which is the
real
Chihiro

I was honestly
asking for it.

I bet
they need
you then
I would
didn't
I?

I do
have a
secret
reason for
helping you.

What *is* even
if that's
not what
I'm
thinking.

Welcome

first phase.

To be able
to pass
through...

Is it...

Who
the hell
are you
people?
Why did
you kidnap
my family?!

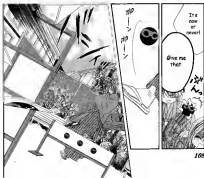

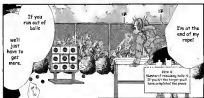

Well,

I'd rather you
not ask me
that?

Are you
not ashamed
of yourself?!

If you
cannot
complete
this phase,

You will not
be allowed
to pass!

AMAZING!

Huh?

Oh

Hina...

This can't be happening!

Does it bother you that much that Yuzuru and I are getting along?

Does it bother you that much?

And things had just started to get interesting.

It's just a guess that Hayato thought up for Yuzuru.

Doesn't hurt in.

You don't have to get around to take your work.

He said.

I didn't want to take up to that level. I'm going to show that you.

I didn't have another choice! It was to look like Nephel!

Well I'm glad I got to talk to you...

but I hadn't realized you like to employ.

Alright

Your task is to take down all my mini-ghosts with the laser gun!
